Planned Date: <b>16-09-2023</b>	Renewed date: <b>-</b>	Program Date: <b>16-09-2023</b>
Budgeted Amount: <b>Rs 8000/-</b>	Total expenditure: <b>Rs 0/-</b>	Balance: <b>Rs 0/-</b>

**Brief Report**

As part of World Ocean Day, 20 students of Bhoomitraserana along with NCC, NSS and Zoology students of Milad-E-Sherif Memorial College Kayamkulam had done the beach cleaning activity of Valiyazhikal beach, Kayamkulam on 16 th September 2023 in association with Ocean Society of India. The waste were collected from the shore include mainly plastic items such as bottles, ice cream cups, fishing nets, covers along with paper cups, glass bottles, chappels, metals etc. The collected waste were sorted and transferred to Harithakarmasena for proper disposal . The program was conducted with the support of Valiyazhikal Panchayat. The students came to know about the abundance of waste we are dumping in an ecosystem and the danger caused due to the slow degradation of plastic into microplastic in the marine ecosystem. Students had set up a disposal unit panelled with wood for the waste disposal in the shore. It was a nice experience and hands on training for the students to keep our environment clean and pollution free.
