Brief Report

Project Start Date: [05/06/2023]

Completion Date: [12/06/2023]

A committee is formed including teachers, students, and parents to plan and oversee the project. A sunny spot is selected nearby school grounds with access to water. Then garden layout is planned , including types of plants and features.

Then a variety of suitable plants (trees, shrubs, flowers, vegetables)were selected for planting.Then we set up a schedule for watering, weeding, and other maintenance tasks.Students track the garden's progress and keep a log of observations.Students Implement composting, water conservation, and natural pest management.
