Brief Report

Wild life week on the first week of October was celebrated by conducting a photo exhibition on Nature. Nature photography encompasses a wide range of photography taken outdoors and devoted to displaying natural elements such as landscapes, wildlife, plants, and close-ups of natural scenes and textures. Principal in Charge Dr R K Biju inaugurated the programme. Almost 96 students from the college participated in the exhibition. Students from nearby schools also participated in the exhibition. The exhibition was conducted in collaboration with an environmental community Walk with Vee Cee . About 80 photos taken by different wild photographers with proper citations were exhibited.
