**Brief Report**

On January 4, 2025, students of Bhoomitrasena, Payyanur College, participated in a hands-on training session on inoculum preparation, focusing on effective management of biodegradable waste on campus. Through this practical training, students learned to prepare inoculum, utilizing biodegradable waste as a substrate. By acquiring this skill, students can now contribute to reducing organic waste on campus, promoting sustainable waste management practices, and fostering a cleaner and healthier environment. This initiative marks a significant step towards achieving the college's goal of minimizing biodegradable waste and promoting eco-friendly practices.
