Balance: **Rs 0/-**

Brief Report

MARCH 8 was very important and memorable day for BMC members. They visited KANNUR KANDAL PROJECT. Principal in charge Sri pradeep sir, bindumol teacher, Rajesh sir and FIC escorted them. There Mr. Vimal and MS Sruthi gave information on types of KANDAL and how they bind and build soil. Also how much they are important to ecosystem. Mr. Naveen lead to the field. Mangroves are unique and extremely rich in biodiversity. Explained adaptive nature of KANDAL. Through mangrove forest they stepped on to river and felt the cool and pleasure of nature. Nice experience
