Brief Report

BMC of St Thomas College has celebrated International Day of Forests 2023 in association with the Biodiversity Club on 22nd March 2023. Shri. Jayakumar Sharma IFS (DFO & Deputy Conservator of Forests, Ranni Forest Division) was invited as the chief guest of the programme. He motivated students through his speech by pointing out the need to focus on the aim and gave a forest conservation message. The message was a call to students to enter deep into nature to understand and act wherever necessary. The meeting was presided over by the Principal Dr. Roy George K. and felicitated by shri. Abin Thomas Kaithavana (College Treasurer) and shri. Arun C. Rajan (District co-ordinator, Kerala State Biodiversity Board, Pathanamthitta district). Faculty-in-charge of the club, Dr. Anju V. Jalaj, other faculty members of the club shri. Arun John and smt. Tania Thomas and student members Ms. Keerthana Sunil and Ms. Nanadana Krishnan co-ordinated the programme.
