Brief Report

As part of National science day celebrations, Bhoomitrasena club organised a one day seminar on Biodiversity conservation on the topic 'Parasitic crustaceans an integral part of tropical marine biodiversity' by Dr. Aneesh P. T, Assistant professor, Blue innovation division, Hiroshima University, Japan. In the seminar he emphasized on the need for conserving biodiversity for our sustainable existence. He also explained the various strategies adopted in Japan for inculcating among the students the need for environmental protection and waste management
