Brief Report

As a part of World Environmental Day, 23 club members and 5 faculties visited the Wetland near MES Keveeyam College, Valanchery on 5/6/2024. The Day observation was inaugurated by Dr Krishna Prabha KS, HOD of Zoology Department. The floral and faunal diversity and the present condition of the area was observed during the walk. The diversity was also documented. Students shared their views on the problems faced by the field. Students also interacted with local residents regarding the present situation of the area. Dr Priya T V, FIC proposed vote of thanks to the program.
