Brief Report

An engaging interactive session was conducted for Bhoomitrasena at SB College, drawing participation from a group of enthusiastic school students hailing from the Kuttanad sub-district. The session was led by Mr. Jebin Joseph, the Faculty In-Charge (FIC), alongside student executive members Ms. Kessiya Anna George and Adwaith S. During the interaction, they vividly shared their personal experiences and insights on effectively managing electronic waste (e-waste), highlighting the importance of environmental responsibility and sustainable practices in the community. The dynamic discussion encouraged students to think critically about their role in addressing e-waste issues and inspired them to take proactive steps in their own lives.
