Brief Report

A mangrove swamp with eight branches

.....

Under the auspices of Bhumitra Sena Club, with the aim of conserving the biodiversity of Ashtamudi Lake, Bhumitra Sena Club has launched a project to plant 100 mangrove trees in Ashtamudi Lake. 50 volunteers planted the mangrove trees in the Perungalam area of ??Ashtamudi Lake. In a festive atmosphere, the volunteers went down to the lake and planted mangrove trees, which was a new experience for them. This Mangrove project will be a unique experience for the children to understand the importance of mangrove trees in conserving the fish wealth and the lake wealth of Ashtamudi Lake.
