Brief Report

Dear Sir/Madam

Bhoomitrasena Club of NSSCE organized a bird-watching session in collaboration with the Natural History Society, Palakkad at the malampuzha backwaters . The objective was to observe various bird species and deepen participants' connection with nature.

25 Volunteers were divided into groups and guided by around 15 professional bird watchers as part of a wetland bird survey. Each sighting was recorded in the eBird application, noting species details. The activity sparked interest in waterbirds and wetlands, offering an enriching experience in identifying and appreciating avian biodiversity.
