

Monthly Programme Report
NSS College of Engineering BMC

Institution Name: **NSS College of Engineering**

BMC Code: **PLK/2022/17**

Programme Title: **Short Term Training Programme on Ecology, Human and Environment sponsored by DoECC, Govt of Kerala**

Program Category: Training Programmes Conducted/Attended	Activity Type: Action Program	No. of participants: 45
Planned Date: 05-02-2024	Renewed date: -	Program Date: 19-03-2024
Budgeted Amount: Rs 0/-	Total expenditure: Rs 0/-	Balance: Rs 0/-

Brief Report

The economic and social crisis currently with confidence. To raise awareness of the value of the resources and need of protecting them, we are organizing a short term training program fostering the sense of smart and sustainable ecology and environment. It aims to rethink the way people live together on a territory, work and produce in order to reduce our environmental impact. In the long term, it will enable to adopt a sustainable the environmental challenges facing the planet.

OUR VISION

To be recognized as a Centre of Excellence in Civil Engineering Education, Research and Consultancy, contributing to Sustainable Development and growth of the Nation

Short Term Training Program on
ECOLOGY, HUMAN & ENVIRONMENT
February 5-8, 2024

Organized by
Department of Civil Engineering
NSS College of Engineering Palakkad-678008

Sponsored by
Directorate of Environment and Climate Change, Govt. of Kerala

ABOUT US

NSS College of Engineering, Palakkad, one of the oldest engineering educational institutions in Kerala, was founded in 1983 by the Kerala State under the leadership of the late Brahmam Kumar Menon, Palakkad. During the second five-year plan with the assistance of the Central and State Governments under the Sixth Five-Year Plan, the college is now affiliated to the MGS Koushik Vasthyan Engineering University, Kerala, offering an E-Net program (Civil Engineering, Mechanical Engineering, Electrical and Electronics Engineering, Information and Control Engineering, Electronics and Communication Engineering and Computer Science Engineering and the V-Net Program).

OUR DEPARTMENT

The Department of Civil Engineering was established in 1983 and remains as one of the best Civil Engineering Departments in Kerala. The department offers 5 Tech programs in Civil Engineering and 10 Tech programs in Electrical Engineering. To provide high quality education and training in Civil Engineering, the department possesses a strong team of lecturers and dedicated faculty members, and has the facilities needed to cater with high end training in both theoretical and practical aspects of Civil Engineering. The department is accredited by the National Board of Accreditation (NBA).

OUR MISSION

- To impart high quality education in Civil engineering, inculcating professional, managerial and leadership skills to meet the changing and challenging needs of the society
- To provide excellent learning inputs through appropriate pedagogical practices, for successful career and scholarly endeavors
- To foster social commitment and professional ethics through curricular and extra-curricular activities, for sustainable development.

ABOUT THE PROGRAM

The economic and social crisis currently experienced by the society is largely linked to unsustainable consumption of resources and unsustainable development patterns. In this context, the education of population is essential in order to look forward to the years to come with confidence. To raise awareness of the value of the resources and need of protecting them, we are organizing a short term training program fostering the sense of smart and sustainable ecology and environment. It aims to rethink the way people live together in a territory, work and produce in order to reduce our environmental impact. In the long term, it will enable to adopt a sustainable development approach by favoring renewable energies, modifying the consumption behavior and limiting waste. Consequently, it targets to provide an economic and social response to the environmental challenges facing the planet.

****NO REGISTRATION FEE****

Target group

Faculty members, Staff members, and students from various institutions can apply. The student members of the Bioniversity club will be given priority for participation. The maximum number of participants is limited to 50.

Chief Patron
Sri G. Sukumar Nair,
Chairman, Governing Body
NSS College of Engineering Palakkad

Patron
Dr. P.R. Suresh,
Principal, NSS College of Engineering Palakkad

Convener
Dr. Resmi G,
Head of the Department of Civil Engineering, NSS College of Engineering Palakkad

Co-Coordinator
Prof. Varada V, Assistant Professor,
Department of Civil Engineering,
NSS College of Engineering Palakkad

Coordinator
Prof. Jawahar V.P, Assistant Professor,
Department of Civil Engineering,
NSS College of Engineering Palakkad

Short Term Training Program on
ECOLOGY, HUMAN & ENVIRONMENT
February 5-8, 2024
Sponsored by
DCECC, Govt. of Kerala
Registration Form

1. Name _____
2. Designation _____
3. Department _____
4. Institute _____
5. Address for Correspondence _____
6. Mobile _____
7. Email _____
8. Educational Qualifications _____
9. Experience _____
Date _____ Signature _____

Sponsorship:
The applicant Mr./Ms/O is an employee/student of our institution and will be permitted to participate in the above

Program Schedule				
DATE	TIME	TOPIC	VENUE	NOTE
FEBRUARY 5	9.30-11.30 am	Registration		
	9.30-11.30 am	The Book		
	11.30 am-12.30 pm	Dr. Anshul Prabhat, Chairman, General Manager, AECPC		Environmental Clow to Economic cooperation and climate change adaptation
	12.30-1.30 pm	Lunch Break		
	2.30-3.30 pm	Dr. P.K. Dasgupta, Head, Waste Management Division, BCC, Kerala		Sustainable Waste management practices
FEBRUARY 6	9.30-11.30 am	The Book		
	9.30-11.30 am	Dr. P. R. Sengupta, P.H.D, Principal, Indian School of Engineering & Technology		Industrial Waste Management
	11.30-12.30 pm	Lunch Break		
	12.30-1.30 pm	Dr. P. R. Sengupta, P.H.D, Principal, Indian School of Engineering & Technology		Industrial Waste Management
	2.30-3.30 pm	Prof. B. M. Shrivastava, Senior Advisor, BCC		Understanding the logic of circular economy technology decision making
FEBRUARY 7	9.30-11.30 am	The Book		
	9.30-11.30 am	Mr. Joseph K. D. Pappal, Head, Sri. Jeeva Mahila Kendra		Resource Utilization and Smart Waste Package
	11.30-12.30 pm	Lunch Break		
	12.30-1.30 pm	Dr. P. R. Sengupta, P.H.D, Principal, Indian School of Engineering & Technology		Understanding the logic of circular economy technology decision making
	2.30-3.30 pm	Prof. B. M. Shrivastava, Senior Advisor, BCC		Understanding the logic of circular economy technology decision making
FEBRUARY 8	9.30-11.30 am	The Book		
	9.30-11.30 am	Dr. P. R. Sengupta, P.H.D, Principal, Indian School of Engineering & Technology		Understanding the logic of circular economy technology decision making
	11.30-12.30 pm	Lunch Break		
	12.30-1.30 pm	Dr. P. R. Sengupta, P.H.D, Principal, Indian School of Engineering & Technology		Understanding the logic of circular economy technology decision making
