Trivandrum Sustainability Summit

Global shapers Community Thiruvananthapuram Hub in coordination with COMMONS : An initiative of Nodal Office along with Department of life sciences and Department of Media CHRIST (DEEMED TO BE UNIVERSITY) and Lapwing Studios presents Trivandrum Sustainability Summit.

“First Carbon Neutral Event in Thiruvananthapuram focusing on sustainability”

A unique platform designed to inspire, inform, and ignite passion among youth interested in sustainability. This summit offers the chance to connect with experts, opening doors to meaningful dialogues, collaborations and potential mentorships.

What Can You Expect ?

Panel discussion

Enlightening discussion by experts will provide you with a wide perspective on the importance of sustainability, technology and community and help you gain insight on what you can contribute and become a changemaker
